Welcome

We are a specialist fireworks company with a thorough knowledge of pyrotechnic products and services. We operate throughout the UK and enjoy a good reputation for creativity and safety in professional fireworks and pyrotechnics.

This year we celebrate our 10 year anniversary. We have extensive experience in the public, corporate and private sectors. We manage, design and fire professional shows and pyrotechnic events of various shapes and sizes. We love what we do and thoroughly enjoy using our material in innovative and creative ways.

Thank for you visiting our website. There is so much that we would like to share with you about what we do and how we do it. There is nothing better than a professionally managed, professionally choreographed show to captivate your audience.
